

AllHealth Network Pharmacy Services

COORDINATION OF CARE: We work directly with your care team at AllHealth Network or your primary care provider.

MED SYNC: We can synchronize all of your monthly prescriptions together so you only have to make one trip to the pharmacy.

PRESCRIPTION DELIVERY AND MAILING SERVICES: Free mailing or delivery to your home or office.

COMPLIANCE PACKAGING: Allow us to organize your meds by day, dose and time using our convenient packaging system.

IMMUNIZATIONS: Our pharmacists are certified to immunize you against the flu, shingles, pneumonia and tetanus. No appointment needed.

POCKETRX MOBILE APP:

- **Order online/on your phone:** Order your refills online from our website or order from your smartphone using our PocketRx app.
- **Patient Portal:** Access your prescription and medical information from a convenient dashboard. Set Reminders for yourself to pick up and request refills or take your medication.

TEXT/EMAIL NOTIFICATIONS: Receive instant notification as soon as your prescription is ready. We can notify you as soon as the pharmacist fills your prescription by sending you a text message to your cell phone and/or by sending you an email.

MTM (MEDICATION THERAPY MANAGEMENT): Medication Therapy Management helps ensure safe and effective medication use. Learn about drug interactions, side effects and tips to help manage your medications.

DURABLE MEDICAL EQUIPMENT: We offer a wide range of DME such as canes, crutches, nebulizers, and test strips. We can also order non-stocked items for you available in 1-3 business days.

SAFE MEDICATION DISPOSAL: Dispose of your unwanted, unused, or expired medications, including both prescription and over-the-counter medications for FREE at our drop-off receptacle within our pharmacy.

"TALKING" PRESCRIPTION LABELS: ScripTalk labels provide a safe and convenient way to access information on prescription labels for individuals who cannot read standard print. The ScripTalk labels are free to our customers who are blind or visually impaired.

OVERDOSE PREVENTION KITS: Naloxone (brand name Narcan®) is an opioid antidote that can reverse an overdose and save lives. It's now available without a prescription at AllHealth Network Pharmacy.
