

MedSync Program Enrollment Form

Thank you for your interest in our *MedSync* program, a synchronized prescription refill service. Advantages of participating in the program include:

- ❖ Increased convenience—a single monthly trip to the pharmacy.
- Peace of mind from being able to get medications on time and in one order.
- More personal contact with your pharmacist to ask questions and discuss medications.
- ❖ Increased understanding of your medication, its purpose, potential side effects, and costs.
- Your prescription records can be more easily updated to reflect changes to therapy made by doctors or upon hospital discharge.

I understand the program advantages and the following conditions of participation to achieve the maximum benefits from the service at AllHealth Network Pharmacy and hereby agree:

- To accept a phone call each month from the pharmacy to discuss my prescription refills.
- ❖ To have prescriptions included in the *MedSync* program processed and filled for a one month supply, unless otherwise specified.
- ❖ To pick up medications on my assigned Appointment Date.
- To pay an extra co-pay one time for each medication if necessary in order to make all refills due on the same day.
- To keep an open dialogue with my pharmacist regarding doctor's appointments, hospital/urgent care visits, and changes in my health status.
