PocketRX Mobile App

- Order online/on your phone: Order refills online by visiting our website or request a refill on the PocketRx app with your smartphone.
- Patient Portal: Access your prescriptions and medical information from one convenient dashboard. Set reminders for yourself to pick up prescriptions, to request refills, or to take your medication.

Text/Email Notifications

Receive instant notifications when your prescription is ready via e-mail, text, or both.

MTM (Medication Therapy Management)

Medication Therapy Management ensures safe and effective medication use. Learn about drug interactions, side effects and tips to help manage your medications.

Durable Medical Equipment

We offer a wide range of DME such as canes, crutches, nebulizers, and test strips. We can also order non-stocked items for you available in 1-3 business days.

Safe Medication Disposal

Dispose of unwanted, unused, or expired medications, including both prescription and over-the-counter medications for FREE at our drop-off receptacle within the pharmacy.

“Talking” Prescription Labels

ScriptTalk labels are a convenient way to access information on prescription labels for individuals who cannot read standard print. The ScriptTalk labels are free to our customers who are blind or visually impaired.

Overdose Prevention Kits

Naloxone (brand name Narcan®) is an opioid antidote that can reverse an overdose and save lives. Now available without a prescription at AllHealth Network Pharmacy.

ALL TOGETHER.

The AllHealth Network Pharmacy is a community resource for all. We can fill prescriptions for anyone and have on-site pharmacists who can provide consultations and medication recommendations.
